| 4        | Hook / Krok               | Plastic / Plast |

### RECYCLING

To disassemble the furniture for proper recycling, start by removing all screws and fasteners, then separate materials like plastic, metal, and fabric before taking them to the respective recycling facilities.

### ÅTERVINNING

För att demontera möbeln för återvinning, börja med att ta bort alla skruvar och fästordningar, sedan separera material som plast, metall och tyg innan du tar dem till respektive återvinningsanläggningar.
